## TESTIMONIALS

"Thank you so much for being a speaker at the Refiners Conference. You made the event meaningful. I mentioned to you that at the end of day 2 when speaking to people they said good things about speakers, but all turned to Anita being their favorite speaker. I believe it comes down to relatable, a story people can see in themselves. Again, thank you."

~Tab Pierce,  
Caliber Securities & Refiners

"Professional, Energetic, Innovative & Engaging are just a few words I would use to describe Anita Clinton's style when presenting and sharing information. This is why she has been asked back several time to speak to youth through my 6 week entrepreneurship program, "Future Entrepreneurs Moving Ahead." She is able to deliver the material on branding & marketing in a way that just makes sense! We all love her, and this is coming from youth with no filter! So if you are looking for someone to bring a unique style that can reach a diverse audience, you will WIN with Anita Clinton."
